All,

Attached you will find a to do list that will explain everyone's part in the upcoming LTV and LP bankruptcy. I know that it is not yet complete, but we should be able to accomplish the attached steps in a short amount of time. I would like to also add that my partner, RB needs to be contacted only via cell phone or in person. At this time, he does not have the ability to retrieve emails safely. I will keep him up to date as much as possible, however, if anyone needs to contact him, please call his cell after 7 p.m. and set up an appointment to meet with him.

JV, I need to enquire about your friendly source that you seem to have that has access to communication with WM. I know that she is very important, but we need information as soon as possible to move forward with LP. I have bcc'ed her on this email and will continue until she is no longer needed. Please update me as soon as possible on any findings we can

use.

PG, I need to know if you are ready for LTV and to have everything sent out on possible wrong doings within their company? I know that JV has supplied you with some information about LTV and I know that he, as well as his friendly source, have plenty of information on WM that will be used to remove his company from him.

PLEASE UPDATE ME BY MONDAY!

All,

As you can see, I have set up everyone with email accounts and access to these emails. Any questions should be directed towards me via cell at 440-759-1079. I will fix any problems or issues that anyone has with their email accounts or access to the email accounts. I also would like to add that everyone will need a newer version of Microsoft Word to read attachments that will be sent to everyone. I think that everyone should also get the most up to date version of Adobe Acrobat Reader. If you need help in this, please contact me.

Rudd, where do we go from here and what is the plan?

John
