TEAM:

I was told back in January, that the mail duties would be revised in 60 - 90 days. I did not receive any response to my 60 day checkup, so assumed the duties to remain mine. Last Thursday, March 27th was 90 days. Where do we stand on this issue??? Where are we going with it?

Jamez:

I am first happy to hear that you are busy with other duties.

Please prepare the list of items and duties and e-mail it to me.

Then, you will need to add as a priority, the pick up of morning mail. It will be yours for the next 60 to 90 days and we will then revisit this.

I have someone else that may do it but I have not been able to coordinate it yet.

Thanks,
 Dick Anter

Dick,

have you decided on what we are going to do about the morning run to the Westlake post office box. Most of the time I am too busy with other duties to be able to get there early enough for A/P.
