Mike,

I finally received your opinion on prebuys. This is something I have asked for months, is your opinion of prebuys in writing, and now you finally give it to Verbos after Rudd resigns

New facts have developed that you were not aware of that would change your opinion based upon the criteria that you use. If there are any instructions for you I will give them to you by email.

New instructions for Benesch Frielander, which includes all attorneys at Benesch, you are not to contact Bank counsel Rudds attorney, Vorys Sater or any of its lawyers, any private counsel that any Level employee may have hired, any creditor attorney, any officer of Level, they are instruction to talk to inside counsel. Inside counsel is now instructed to come to me for direction on who is to get what legal projects, those directions and

instructions will all be handle via email internally.

In general please do nothing until further notice.

Bill
